3 Day Storytellers Series Workshops

“Lights, Camera, Action!”

These words become reality for dancers during Three Hearts Dance’s Storytellers Series. THD brings its mission of unleashing freedom for dancers to live boldly in optimism, artistry and love by challenging dancers to take their technique into the dance film world. Three Hearts Dance partners with Eriden Images and SDS to create an experience for dancers ages 8+ to step outside of their typical choreographic experience. Dancers will participate in a three-day dance choreography intensive that leads up to the makings of their very own Three Hearts Dance Story video.

July 8, 10 & 12 (M, W, *F)

*Filming day – dancers must be present at all classes to participate in filming.
Filming day may be on location (TBA)

3 Day Musical Theater Workshops

Dance! Sing! Act!

During SDS’s Musical Theater Workshop, students aged 8+ will spend three days gaining confidence, strength and technique in their vocals and movement with special focus on sharing a story with their talents. All in a supportive environment that will both encourage and challenge students to explore their natural abilities. In addition to honing these skills, students will learn and prepare for a mini performance-utilizing all three art forms-that they will bring to life at the end of the week.

July 15, 17 & 19

* July 20th 2-4pm Mini Performance for both MT 1 and MT 2
(rehearsal is at 2:00, show starts at 3:00pm)
